Important

ALL material facts must be disclosed. Failure to do so could invalidate the policy. A material fact includes any questions you are asked to provide answers to and any assumptions you agree to when you take out your policy, including anything that appears within your Statement of Fact and/or your Schedule, such as an intended alteration to, extension to, renovation of or unoccupancy of your property, or if any member of your household is charged with, cautioned for or convicted of a criminal offence (other than motoring offences).

Data Protection

Please be aware that we exchange information through various databases and electronic applications. This helps speed up the processing of your data by the insurer(s) and allows checks to be made on that information. It also helps fraudulent claims being made. We will ensure that anyone to whom we pass your information agrees to treat your information with the same level of protection as if we were dealing it.
